## From the Assistant Director

Congratulations fellow club members. We are off to a good start for our 2016 season. Even though the weather has been spotty at time we have had a good turnout for each of our April events. In fact, we had the best weather I can remember for the blessing of the bikes. It was nice to be able to ride over with a large group and not have to carry my cold weather gear around all day. Hoping our good luck continues through May and on into the summer with bigger rides as the season progresses. Looking forward to seeing you all out there riding!

Todd Havekotte,

Assistant director PGH. HOG Chapter

## **MAY 2016 Rolling Thunder Activities**

This year as a participant in the Rolling Thunder Weekend, you have several choices of activities on Saturday May 28th. We have a choice of day rides that are short, medium and longer or you can just sit by the pool and get your first tan of the season.

### **Short Ride Great Venue:**

Ride 35 miles to Quantico, Virginia and visit the Marine Museum. The museum is currently hanging a WW II Douglas SBD Dauntless Marine bomber flown in the Pacific from land bases and aircraft carriers. It will hang in the Leatherneck Gallery of the museum. There is also a new tableau depicting a Sikorsky UH-34D helicopter in operation during Viet Nam. We will spend 2 to 3 hours in the museum before heading to lunch. Admission to the museum is free.

### **Short Ride Beautiful Scenery:**

Ride 28 miles to Great Falls Park on the Potomac River overlooking Washington DC. Great Falls Park, an 800-acre park located along the Potomac River, is one of the most spectacular natural landmarks in the Washington DC metropolitan area. More than 150 different species of birds can be seen at the park including whitetail deer, fox, box turtles, squirrels, coyotes, bats, and chipmunks. Admission is free.

### **Day Ride Adventure:**

Ride 75 miles through the Virginia countryside to Luray Caverns in the Shenandoah . Visit the caverns and see many various underground rock formations created over thousands of years. A paved and lighted walkway winds through magnificent cathedral-like chambers and around abundant examples of stalactite and stalagmite ornamentation. Admission is \$23 for adults and \$21 for seniors. A group of 20 would be \$17 each with a prior reservation.

### **Hotel Barbeque:**

The hotel is sponsoring a poolside cookout at 5:00 PM. They are increasing the offerings this year and are looking forward to seeing us again. Admission is free. BYOB.
